

Orvis Endorsement

Wildrose Kennels is an Orvis Endorsed Hunting Dog Breeder and Trainer. Most sportsmen are well acquainted with the prestigious Orvis Endorsement of wingshooting and fishing designations as well as their fine line of clothes. In 2003 Orvis introduced the Orvis Hunting Dog Breeder and Trainer Program. According to the Orvis management, "The program is designed to promote and uphold the highest standards in dog breeding and training to introduce Orvis clients to the best breeders and trainers in the world."

The Orvis logo consists of the word "ORVIS" in a bold, serif font. The letters are black and set against a light gray background. A registered trademark symbol (®) is located at the top right of the letter "S".

**ENDORSED
HUNTING DOG
PROGRAM**

We are pleased to announce that Wildrose Kennels was among the first kennels in North America selected to become an Orvis Endorsed Breeder and Trainer. Orvis will endorse only a select few premier breeders of different hunting dog breeds in North America and the UK. To further quote their goal for the program..."to establish confidence between the prospective dog buyer and the breeder community where the quality of the breeding lines has been established and confidence is not questioned." Wildrose shares this vision and we look forward to a long association with this prestigious sporting service.
