

Joining Wildrose in 2018, Fagan is a beautiful, strongly built very light yellow. He is best known for his infectious happiness. Fagan is versatile both on land and water. Always ready to work, Fagan has incredible marking ability and an excellent handle.

With an unparalleled nose he can find game in the thickest of cover. While extremely bold in the field, Fagan is a very gentle dog that loves people.

Fagan's pedigree is rife with fabulous dogs such as FTCh Craighorn Bracken, FTCh Willowyck Ruff, FTCh Lochmuir Bonnie and our own Shimnavale Delta is his maternal grand-dam.
