Indian is a third-generation, Wildrose dog... a Labrador produced selectively by Wildrose from proven, established bloodlines which have demonstrated field ability, compatibility, soundness, and health. Indian carries forward the exceptional progeny of FTW Turning Teal, “Wigeon,” a sire that has produced many exemplary hunting companions and scent discriminators. Indian's Dam, Sadie, is a black female sired by FTCh Gusty Garry, "Kane," one of Wildrose's most successful sires. She is actually a littermate to Deke, the Ducks Unlimited mascot. Indian, an outstanding, versatile dog in the field himself, hails from a superb ancestry of proven Wildrose gundogs.

Indian is a strong dynamic performer afield for upland and waterfowl yet his civil temperament and comical good nature enable compatibility in the lodge and when traveling... a true destination wingshooting companion.

Indian is a key character in the Wildrose "On the Road" demonstration pack. When "the boys are in town," he is a star with his athletic ability, scenting abilities, and crowd-pleasing personality. Over the years, he has appeared at numerous functions and workshops including the Orvis Sandanona Shooting Grounds, Ducks Unlimited National Convention, Garden & Gun Secret Weekend at Blackberry Farm and two consecutive years at Garden & Gun Jubilee at Charles Towne Landing, SC. He has also appeared in articles and advertisements in publications including *Garden & Gun Magazine*, *Gundog Magazine*, *The Retriever Journal*, *Ducks Unlimited Magazine* and throughout the book, Sporting Dog and Retriever Training, the Wildrose Way... he's rather photogenic!

Indian, a Wildrose heritage dog, excels at gamefinding and recovery, equally proficient at retrieving waterfowl as he is at flushing pheasant. He works wonderfully with pointing dogs on quail, backing on sight and steady to wing and shot. He is a passionate strike dog.

Indian is a dog of duality. He is Adventure Dog Certified and always proves to be an excellent companion whether on trail, in camp, on an aircraft, or following closely with his handler mounted on horseback.

***Indian continues the legacy of many great
Wildrose dogs. He is eager to please, versatile,
and compatible. A Gentleman's Gundog of duality...
prepared to go anywhere!***
